# Introduction

The **ESPORA SPACES** pedestals are practical all-rounder. Directly positioned under the desk, they complete the working place and create order: documents and personal items are clearly stowed and can be rapidly fetched. The mobile pedestal with seat pad invites to a short interaction. The Espora pedestal convinces with its clear design and high functionality.

It presents itself cubically and clearly at the working place and offers storage for documents and personal items. Mobile or fixed, in different sizes, in varied colours, having insides as required, the CT pedestal is an essential assistant in office routine

# SIMPLY MORE EFFECTIVE STORAGE

A workplace becomes more effective with convenient, mobile storage: Components that provide easily accessible content and materials, contribute to workplace collaboration, support varying levels of privacy and offer a pleasing aesthetic.

# Mobile Pedestal

*with cushion provide the quick discussion seat that helps to improve collaboration in the office.*
