Espora Spaces

works for you, furnishing high performing offices that help people do their best work.

We focus on helping you create a domain to bring people together; a socially charged workspace where **people** gather to exchange ideas, cocreate and connect.

We hope Espora can help you achieve the highest outcome of work - that sense of achievement and belonging that occurs when colleagues become collaborators, working together to produce ideas that build a better world.

Manifesto

FOR YOU. FOR CHANGE. FOR THE FUTURE.

Manifesto series provide elegance and intelligent solutions for furnishing the modern executive workspace. Its clean design with floating worktop and connecting beams give the aesthetics and great lightness with strong stability.

In these days, the requirements for an ergonomic office environment are increasingly rely on the flexibility and functionality of the office furniture itself. More and more organizations are looking for systems that are able to meet all needs and make work more productive.

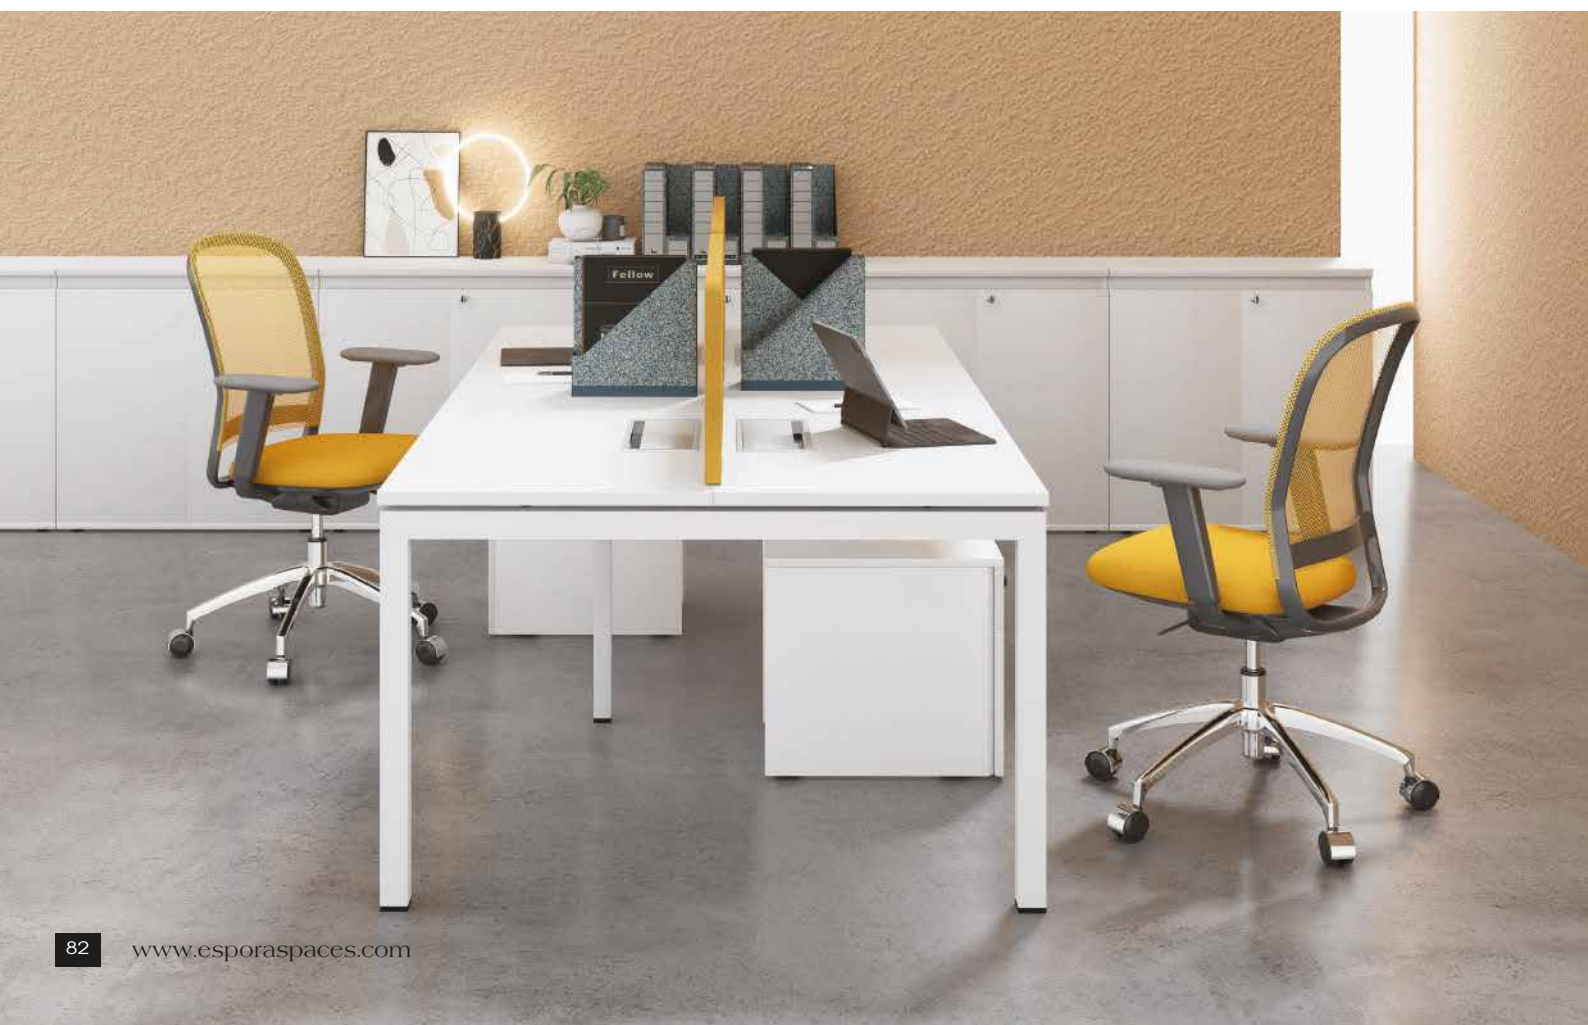

Evolution is necessary
for space and for any
organization with plans
for a healthy future.

Manifesto series also can be integrated with panel based to
provide more versatile and highly functional office system.
Manifesto series also can be integrated with panel based to
provide more versatile and highly functional office system.

Manifesto

The combination of top panel with linking base system offer idea sharing workplace where you can create a basic privacy, still adapt to the modern concept of living office and allows direct communication and sharing idea working environment.

Manifesto

Based on the belief that the more people connect, the better they work, this system offer sharing concept that gives support to casual work and to provide comfort at the desk, in circulation spaces, and in group areas - all within a consistent design vocabulary.

Visually uniform and modular surfaces, storage, and seating can be configured into a broad range of settings that encourage fluid transitions between collaborative and focused work.

Manifesto

In the contemporary business life, workplace solutions help organizations to increase efficiency and productivity by supporting the management of information and effective integration of human and technological communication.

Manifesto system is designed to provide solutions for the everchanging and developing technologies and new workstyles. It gives you the opportunity to design office space according to the new needs of organizational structures. Matching the expectations of today.

Manifesto

Manifesto

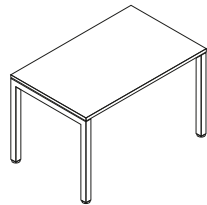

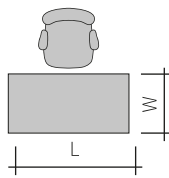

CHANGE HAPPENS

Many business owners say managing how quickly their company grows is their biggest challenge. So it makes sense to design your office for change with a small kit of parts that easily allows for rearranging and adding on.

Manifesto II Series Extremely Trendy

With minimal and straight lines, Manifesto II series trendily adapts to a variety

The perfect combination of working clutter, filing cabinets and seat cushions make the perfect working space for your office, and this is perfectly shown by 2 clutter in the Manifesto II Series.

The combination of round tables allow employees to exchange each other without spending too much time on moving or office space. Sometimes, employees can leave their similar position and work in this area to find inspiration or change the workspace.

Communication is one of important factor which directly impact on the labor efficiency. The more we work together, the more we get together.

TWO HEADS ARE BETTER THAN ONE

Research shows several people working together make decisions that outperform those of people working alone. Tables - on wheels, that fold down for storing and fold up in seconds - are a flexible way to put two heads together.

BELLO Series

The perfect combination of Function and Aesthetic

Here is the desk designed with a clean, simple and clear elements, that still manage to add a powerful character on it. The minimalist style stand out to be absolute elegance, which bringing nonstyle design become an aspect of flexible design that goes beyond time.

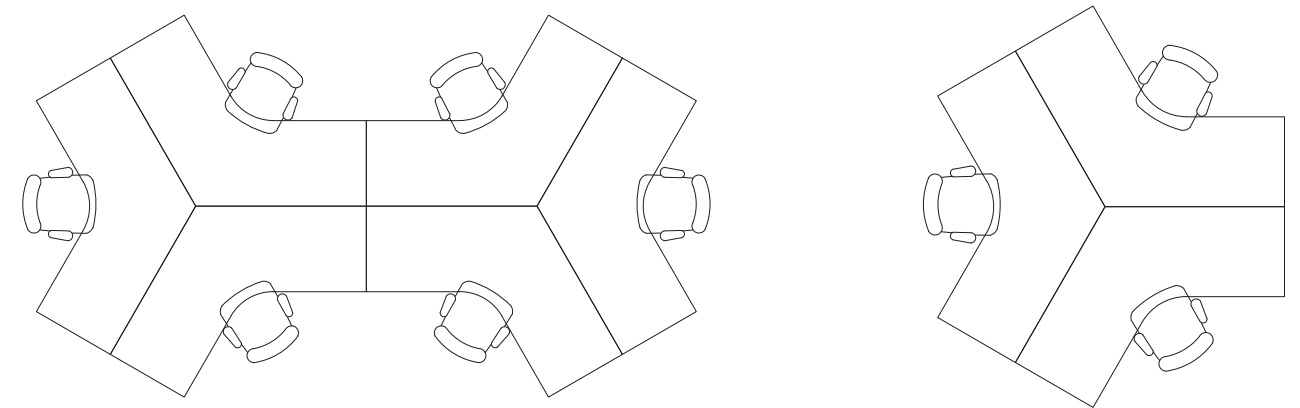

Bello is a workstation that stands out in a crowd and well equipped with tones of features. The numerour possibilities for modular features is extremely welcome in any worplace, while creative cable management system with added technology is the strength lies in it.

Bello gives you the power to organize your desk space with elegance as well as efficiency. Arranging your office in the best way is important, but it's not always easy. Being able to choose from so many solutions make it easy and fun to optimize your space.

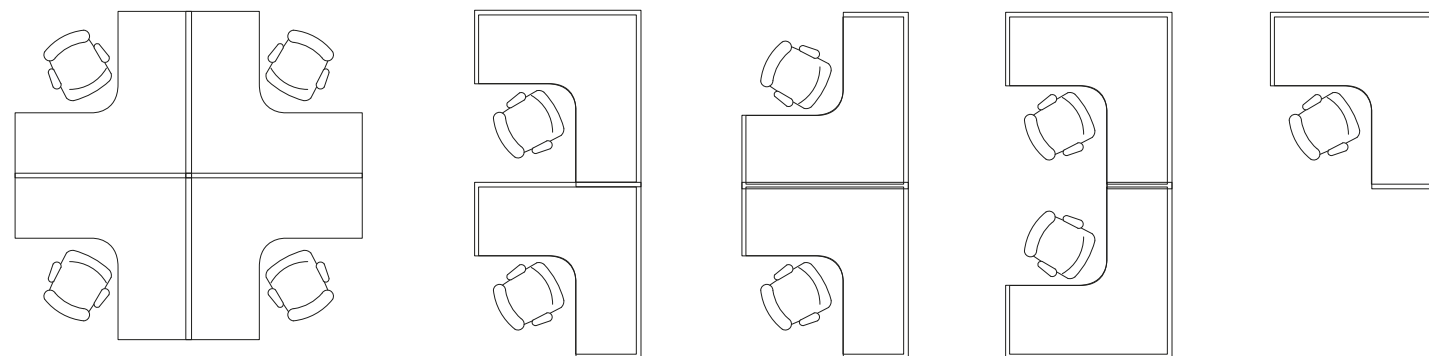

Communication with colleagues are just important as sufficient peace for concentrated solo work. Bello tunes it self perfectly.

Each colleagues connected closely in a duster, while the divider screen create a perfect visual separation when required. Thus, everyone works together and yet on their own.

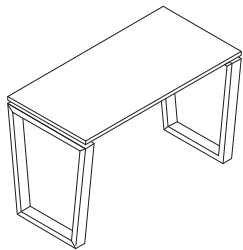

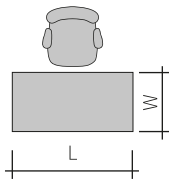

Bello provides an outstanding appearance for outstanding personalities. They set a strong benchmarks in design, and provide orientation with it dear structures and straight line.

You can't go wrong with Bello. Straightforward design and a consistantly of uniform furnishing concept offer you a multitude individual and creative design possibilities. Thus, every single member of staff's office quite individually, but yet your office still recognizably uniform.

Ato Series

Dynamic & Elegant

Ato series is a best combination of Manifesto series and Sonic series. The dynamic in Manifesto combine with the elegance in Sonic bring the way-out impression to the workspaces in Ato series.

With its unique, Ato series adapts to a variety of functionalities and aesthetics.

Ato Series was created to introduce an element of the unexpected, to spur imagination. Arranged in workstation cluster of 4 setting, users will intuitively realise that they could settle into these individual workstations. They are equipped with ergonomic furnishings and colourful options, allowing you to work in a health-positive way in an environment customised for you.

Ato Series

Ato 120 Degree Table

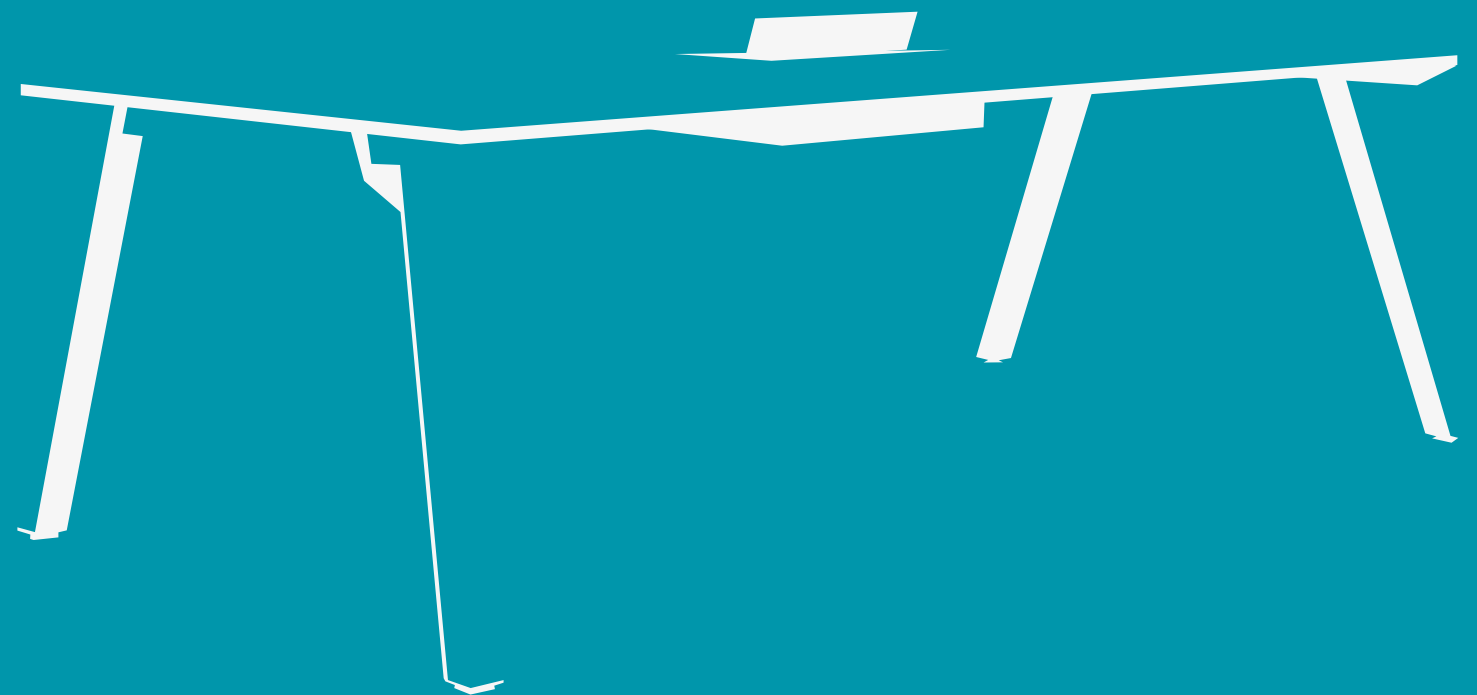

The Ato 120 degree table clusters are exciting solution for companies that require high active and creative abilities. Straight triangular corners do not only create the large table area, but they also contribute to rise aesthetics to the office, this is, moreover, a inspiring way for employees to work harder.

Especially with the dynamic footprints, which allow the combination of mobile cabinets in order to be maximum convenience, flexibility in the application and enhance the special characters of each office.

The Work Series

Change together.

If two heads are better than one... make sure they see eye to eye. Bring your team together in a workspace that helps them be more creative, smarter, faster. Innovate or die. As your team's ideas and thinking change over time, your furniture can too...

The more things change, the more they stay the same.

Changing the look and functionality of your office doesn't mean you need to buy more furniture. To give you the basic building blocks, you decide how to arrange and rearrange them!
